Subject: Letter of Recommendation for Kulwant Singh Dhama

It is with great pleasure that I endorse Kulwant Singh Dhama. He has worked in the Experience Delivery Team within the Product Operations department and has truly excelled at his work. He has worked towards solving product related queries and issues from the customers, analyzing data to identify best case practices and trends in user behavior to ensure they have a seamless learning experience on the MyCaptain platform. In addition to this, he has also built strong interpersonal relationships with the customers. He has truly excelled in the Customer Experience and Service domains working virtually over his 10 months tenure as a virtual Intern.

I have received high acclaim from his colleagues and personally seen his excel in the job role. I am sure he will be a great addition to any team or role he takes up and will excel at it. With this, I would take this opportunity to wish all luck with his future endeavors.

I will be happy to answer further questions if any. Feel free to email me at sameer@theclimber.in.
